

## Postgraduate Student Travel Grants

Funds are set aside each year to sponsor student travel to our ComBio annual conference. These grants are provided from member fees and are designed to contribute to the professional development of the new generation of Australia's plant scientists. Applicants are encouraged to apply for funding in May so that they can use funding to assist in leverage of additional funding from their institutions or other professional associations. Support will vary from year to year depending on the Society finances, meeting location and the number of applications. The Treasurer will apply a formula in calculating individual entitlements and takes these factors into account. Applicants and their supervisors must be financial members of ASPS at the time of application, and funding is contingent on presentation of poster or oral presentation at ComBio. Successful applicants will be notified within two weeks of the conference submission deadline.

**The deadline for application is the first Monday evening in JUNE.**

Date of application: .....

Student name (Title, First name, Last name) .....

Work (postal address) .....

.....

..... Post code .....

Work contacts: Phone ( ) ..... E-mail .....
